### **DECISION ON ATTORNEY'S FEES AND COSTS<sup>1</sup>**

On November 3, 2017, Joellen Marie Graef filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that she suffered a shoulder injury related to vaccine administration as result of an influenza vaccination received on November 12, 2014. (Petition at 1). On December 14, 2020, a decision was issued awarding compensation to Petitioner based on the parties' stipulation. (ECF No. 46).

<sup>1</sup> Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated February 23, 2021 (ECF No. 51), requesting a total award of \$32,089.19 (representing \$27,511.00 in fees and \$2,978.19 in costs). Petitioner is also requesting \$1,600.00 in fees incurred by her expert, Dr. Edward W. Younger, III. (Id. at 5). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. (ECF No. 51-5). Respondent did not file a response.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). **Accordingly, Petitioner is awarded the total amount of \$32,089.19<sup>3</sup> as follows:**

- **A lump sum of \$30,489.19, representing reimbursement for attorneys' fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel; and**
- **A lump sum of \$1,600.00, representing reimbursement for expert fees, in the form of a check payable to Petitioner and Dr. Edward W. Younger, III.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.<sup>4</sup>

**IT IS SO ORDERED.**
